About the service:

Core HR Recruiter is the ideal cost-effective solution for small and medium sized businesses. We are dedicated to helping you attain the best talent to support your business. We can handle all your recruitment and talent acquisition requirements.

Your dedicated Recruitment Partner will act as your in-house resource to support you through any stage of the recruitment process or with any element of your Talent Strategy.

Our recruitment solutions are tailored to add value to your business and flexible to meet your specific needs. Most importantly, we are knowledgeable about your business and your people and are committed to finding the right culture fit for you.

Testimonial

“Whenever we asked them to find someone, they found someone. Each one of the new staff members has stayed on with us, so it shows they were the right people for the job.”

*Kevin, Regional Manager
